This infographic is one of the outcomes of a project conducted by the Justice Sector Constellation. The Justice Sector Constellation is a collaborative comprised of social entrepreneurs working in justice-service agencies, municipal, provincial, and federal justice administrations, community volunteers, educators, and legal support providers. Their unique mission is to intervene at the intersection of poverty and the justice system and facilitate systems change.

**Please note we have not endorsed any of the resources listed here, please do the necessary research to ensure they provide the best fit for you and your family. The list of Childcare centres above are located near the Calgary Court Centre. CareFind can be used to identify Childcare Centres near or outside of the downtown core.
